\* If your motor vehicle is not a passenger car or light truck that meets the following definitions, the vehicle does not qualify for the exemption.

**Light truck** means a commercial motor vehicle that has a manufacturer's rated carrying capacity of one ton or less. Vehicles that are individually owned and used for the transportation of passengers for hire would not be eligible for this exemption.

**Passenger car** means a motor vehicle, other than a motorcycle, golf cart, light truck, or bus, designed or used primarily for the transportation of persons. Vehicles that are individually owned and used for the transportation of passengers for hire would not be eligible for this exemption.

\*\* You are required to give us this information on this form, in order to perform tax related functions for this office.
