

HARRIS COUNTY APPRAISAL DISTRICT

HARRIS COUNTY HOUSTON, TEXAS

2014 BUDGET

2014 BUDGET INTRODUCTION & HIGHLIGHTS

The 2014 adopted budget increases approximately \$4.2 million or 6.5%. The primary source of funding, taxing unit contributions increases \$2.8 million or 4.5%. The balance of funding is provided from a restricted reserve of \$1.4 million for future litigation.

This budget reflects a reorganization recommended by the newly appointed chief appraiser. The upper organization of the district has been streamlined, going from 5 departments to 3 and eliminating a middle management layer in the appraisal function. 16 positions have been added, which restores staffing to 2008 levels at 639 employees, replacing positions lost as the district cut its budget in prior years and adding badly needed additional staff for our information technology functions.

The budget provides enhanced funding for human resources, professional training, and internal auditing functions. All of these have suffered due to budget constraints in the last four years. 43 positions have been reclassified to reflect changed responsibilities.at a total cost of \$151,958. 15 other positions change title with no salary increase.

Funding for supervisory training has been increased from \$25.000 to \$50,000. \$150.000 has been included for acquisition of new field devices and other computer hardware. A modest 5% increase for group health insurance rates (per employee) has been projected. The allowance to fund the district's career development program, which provides incentives for our licensed staff to seek advanced designations, is set at \$50,000. This amount provides one time payments for new designations and recurring payments for holders of advanced designations.

A new career ladder program designed to reduce turnover during the years in which a new appraiser goes through the state licensing program has been added. This is funded entirely from salary lapse and position turnover. Funds for Quality Service and Merit Salary increases and incentives have increased to \$600.000 and a two percent cost of living increase is included for all staff.

Harris County's real estate market is roaring back after several years in the doldrums. With an increasing market comes more new construction to inspect, more subdivisions and deed transactions to record, more applications for homestead and other exemptions, more protests, and more litigation. We have a highly technical workforce. More than half of our workers hold professional licenses and have skills that are highly marketable as our local real estate economy improves. With economic recovery continuing, it is critical for HCAD to adequately compensate and retain these highly qualified employees. If we do not, the result will be less accurate appraisals, slower turnaround in handling property owner complaints and transactions, and delays in certification of appraisal rolls and problem accounts. The 2% cost of living pay increase simply keeps pace with inflation. The included funds for better training, recognition of exceptional performance, and retention in an appraiser's early years are all essential to maintain the level of service expected.

D. Schedule of Positions Outside the Classification Schedules.

| Chief Appraiser | \$185,400 |
|---------------------------|-----------|
| Deputy Chief Appraiser | \$155,530 |
| Assistant Chief Appraiser | \$152,850 |
| Chief Information Officer | \$153,700 |

- E. It is expressly provided that the chief appraiser may, with the approval of the board of directors, grant merit salary increases to district employees. Such merit increases shall be subject to the following:
 - 1. The maximum shall not exceed the amount specifically budgeted as "Allowance for Merit Increases".
 - 2. For an employee to be eligible for a merit salary increase, the following criteria must be met:
 - (i) the employee must have been employed by the district for at least six continuous months prior to the award;
 - (ii) at least six months must have elapsed since the employee's last promotion;
 - (iii) the employee's job performance and productivity must be consistently above that normally expected or required as evidenced by performance evaluation; and,
 - (iv) an employee may not receive more than one merit salary increase in a single fiscal year.

- F. In lieu of a merit salary increase the chief appraiser may, with the approval of the board of directors, award quality service incentive salary increases, disbursed as a single payment, to employees under the following conditions:
 - 1. The employee must have been employed by the district in a full-time position for at least 12 continuous months and must not have received a promotion or merit salary increase for a minimum of 6 months prior to the award;
 - 2. The employee's high level of performance must be documented by the performance evaluation system;
 - 3. The lump sum award may be no more than 6.8% of the employee's annual base rate of pay;
 - 4. Six months must have elapsed since the employee's last quality salary increase;
 - 5. Funding for such increases will be made only from the overall limits specified under Paragraph E, above; and,
 - 6. A quality salary increase is a one-time payment and does not increase the salary level for the following year.
- G. Career Development Program. The chief appraiser is authorized to award achievement pay according to the district's policy under the Career Development Program. The program provides for one-time achievement payment to employees having earned the Registered Professional Appraisal professional designation or, for non-appraisal employees, for completing approved coursework. Employees who receive or hold more than one advanced designation (RPA, IAAO, MAI, CAI, TALCB, CTA, CFE) may be awarded recurring annual achievement payments.
- H. The chief appraiser may substitute other classified position titles for those listed in this Schedule of Positions when the chief appraiser finds that such reclassifications are necessary for effective performance of the district's responsibilities. The chief appraiser is further authorized to reassign an employee serving in a classified position to another classified position or to move the employee to another rate within the employee's salary group range as necessary to maintain desirable salary relationships:
 - 1. between and among employees of the district; or
 - 2. between employees of the district and employees who hold similar positions in the relevant labor market; or
 - 3. to retain staff essential to the district's succession plans.
- I. TDLR Career Ladder. The chief appraiser is authorized to promote staff upon reaching levels I, II, III and IV Property Tax Professional Appraiser designations with the Texas Department of Licensing and Regulation and satisfaction of such other requirements as the chief appraiser may impose. The schedule below (career ladder) is the minimum pay grade and step and does not preclude a promotion to a higher pay grade if the staff member is otherwise qualified for a

currently open position. Promotions under these TDLR milestones are made within the current occupied budgeted position and the salary differential is funded through salary lapse.

| Position Title Or Equivalent | TDLR Designation | Minimum Pay Group | Minimum Pay Step | Minimum Months In Position & Designation |
|---------------------------------|---------------------|----------------------|---------------------|---|
| Appraiser Trainee II | Level I | 14 | 1 | 6 |
| Appraiser I | Level I | 15 | 1 | 6 |
| Appraiser I | Level II | 15 | 2 | 12 |
| Appraiser II | Level III | 16 | 1 | 12 |
| Appraiser III (RPA) | Level IV | 17 | 1 | |

- J. The chief appraiser is authorized to pay a full-time employee who is a state approved instructor a stipend of \$500 if the employee teaches two or more state certification courses during a calendar year.
- K. The chief appraiser is authorized to pay salaried exempt employees straight time for compensatory time worked during periods when paid leave is restricted.

GENERAL PROVISIONS

A. Mileage Allowance.

- 1. Use of Privately Owned Vehicles. Employees, board members, or persons assigned to the district by another agency under contract who use their privately owned vehicles on official district business are authorized reimbursement at the rate authorized by the Internal Revenue Service as the standard mileage deduction rate (currently \$0.565/mile for 2013).
- 2. Monthly Vehicle Allowance. The chief appraiser is authorized to pay a monthly vehicle allowance for appraisal positions whose job responsibilities require that they spend the majority of their time outside the district headquarters in an amount not to exceed \$450 per month. Division directors shall annually prepare a list of the employees and position numbers for which the monthly allowance is authorized. The total amount paid under this provision may not exceed the amount allocated in this budget for that purpose.
- 3. Idling Allowance. Appraisers performing as group leaders, or who are assigned to pre-review, review and quality control functions are authorized an "idling allowance" of \$1.00 per hour in addition to reimbursement for actual mileage as provided in the district's appraisal manual.
- 4. Audit Support Services. Commissioned officers and employees assigned to the Audit Support Services Division who engage in investigations or field audits are entitled to a vehicle allowance not to exceed \$450 per month for official use of their personal vehicles.
- 5. Reimbursement at Standard Mileage Rate. If the monthly vehicle allowance is insufficient to reimburse a designated employee for miles actually driven in the conduct of district business, that employee's reimbursement for the period will be calculated at the standard mileage rate.
- 6. Other Provisions. An employee who is transferred from a position that is authorized a vehicle allowance may be transferred at a higher salary step to offset the loss of a vehicle allowance. If an employee who is authorized a vehicle allowance uses a district owned vehicle on any day, the vehicle allowance is prorated by the number of days the district owned vehicle is used whether part of a day or a whole day.
- B. Expense Allowance. The following listed positions are authorized an expense allowance in lieu of a vehicle allowance, in-district mileage, and incidental in-district expenses at the monthly rate indicated:

| Chief Appraiser | \$850 |
|---------------------------------------|-------|
| | |
| Deputy Chief Appraiser | \$550 |
| Assistant Chief Appraiser | \$550 |
| Chief, Appraisal Operations | \$550 |
| Chief Information Officer | \$550 |
| Chief Financial Officer | \$550 |
| Director, Audit Support | \$550 |
| Director, Jurisdiction Communications | \$550 |
| Director, Information & Assistance | \$550 |

- C. Uniform Cleaning Reimbursement. Commissioned security officers who are required to regularly wear district-provided uniforms are entitled to reimbursement for the actual cost of professional uniform cleaning in an amount not to exceed \$45.00 per month.
- D. Cell Phone Allowance. In lieu of providing a district-owned cellular phone to an employee whose duties require it, the chief appraiser is authorized to pay a monthly cellular phone allowance as follows: \$10 to \$45 per month, depending on the number of minutes of business use projected, for basic cellular service, and an additional \$50 per month for data services if the chief appraiser determines that data services are appropriate. An employee who receives a cellular phone allowance under this provision must, at his or her own expense, obtain equipment and cellular services meeting minimum specifications that are approved by the chief appraiser or his designee. The equipment and service must be in working order at all times during the period for which an allowance is paid. The total amount paid under this provision may not exceed the amount allocated in this budget for cellular phone and data services.

E. Travel Expenses.

1. Non-overnight Travel.

- a. The chief appraiser, a member of the board of directors, a district employee, or a person assigned to the district by another agency under contract who has been designated to represent the chief appraiser or a board member, or a district employee who is traveling with the chief appraiser or a board member may receive reimbursement of actual expenses for meals when traveling outside the district's boundaries. The meal receipts must be attached to the travel expense report if the amount claimed for a meal exceeds \$9.00.
- b. Other employees may be reimbursed for meal expenses incurred on a day the employee conducts official business outside the district's boundaries for no fewer than six consecutive hours on the day the expenses are incurred in an amount not to exceed \$36 per day. However, the maximum reimbursement for breakfast may not exceed \$9.00, exceed \$17 for lunch, or exceed \$19 for dinner. Meal receipts must be attached to the travel expense report if the amount claimed for a meal exceeds \$9.00.

2. Overnight Travel.

- a. The chief appraiser, a member of the board of directors, a district employee or a person assigned to the district by another agency under contract who has been designated to represent the chief appraiser or a board member, or a district employee who is traveling with the chief appraiser or a board member may receive reimbursement for actual expenses for meals, lodging, and incidental expenses authorized by this section. In lieu of claiming actual expenses, a person may elect to be reimbursed in the manner provided for in subsection 2.b. of this section.
- b. Other employees, as well as persons enumerated in subsection 2.a. of this section who elect to do so, may be reimbursed for actual expenses of lodging at a commercial lodging establishment and an allowance for meals in an

amount not to exceed the maximum per diem allowance authorized for that locality in the current federal travel regulations unless the chief appraiser determines, in advance of the travel, that local conditions necessitate a change in the lodging rate for a particular location. An employee may reduce the maximum meal reimbursement rate for a locality and use the reduction to increase the maximum lodging reimbursement rate for the locality, and may also be reimbursed for authorized incidental expenses. In calculating the applicable meal allowance for a particular locality, the amounts allowed for the first and last day of travel are reduced to 50% of the daily federal rate if the person begins travel after 1 p.m. on the first day or returns and ends travel before 1 p.m. on the last day.

- c. A person authorized to be reimbursed for overnight travel expenses may receive reimbursement for the person's actual expenses for meals and lodging when traveling outside the continental United States.
- d. Persons who are authorized to claim actual expenses and elect to do so must provide lodging and meal receipts with their travel expense report. An employee who claims expenses on a per diem basis must submit lodging receipts with the travel expense report.
- e. Allowable incidental expenses include taxes levied on lodging, taxi fare, airport limousine service, airport or other parking charges, and business-related telephone calls and/or reasonable internet connection charges. Receipts for incidental expenses must be attached to the travel expense report.

3. Transportation Expenses.

- a. Employees, board members, or persons assigned to the district by another agency under contract who travel outside the district by personal auto will be reimbursed for mileage at the same rate used for in-district mileage. Travel must be by the most direct route. If two or more employees are attending the same business function, they should travel together if possible to minimize mileage expense. A person's total mileage reimbursement for a trip may not exceed the cost of round trip air travel by coach or economy class. The chief appraiser may require an employee traveling outside the district to use a district-owned vehicle instead of the employee's personal vehicle or other form of conveyance.
- b. Persons who travel by air must fly coach or economy class. All flight arrangements should be made through the district's travel coordinator in the Office of Chief Appraiser.
- 4. Purchase of Alcoholic Beverages Prohibited. A person who travels on official business may not claim reimbursement from district funds for the purchase of alcoholic beverages.
- 5. Completion of Travel Expense Reports. After completion of authorized out-of-district travel, the person may not be reimbursed for travel expenses until the person submits a written travel report on the form prescribed by the chief appraiser. The form must clearly outline the official purpose of the travel and summarize, on a daily basis, the duties performed and expenses incurred or per diem claimed.

- F. Reappropriations. Monies received by the district as payment for copying charges are reappropriated to the district to offset the cost of making such copies. Monies received by the district under a Grant or Interlocal Contract are appropriated to the district to pay the cost of conducting the activity or activities authorized by such Grant or Contract. To the extent penalties may be imposed under any section of the Tax Code, penalty monies actually received are reappropriated to the district to offset the cost of operations, less any amounts required by law to be remitted to the appropriate taxing units.
- G. Vanpool Subsidy. The district is a member of the METRO STAR Vanpool program. Employees who participate are authorized a monthly subsidy of \$35.00. Participation is limited to an appropriation of \$42,000.
- H. Employee Recognition Activities. There is appropriated the sum of \$12,000 to be used for service awards and other employee recognition activities as approved by the board of directors.
- I. General Counsel. Pursuant to §6.05(j), Property Tax Code, the board may employ a general counsel to the district to serve at the will of the board. The general counsel shall provide counsel directly to the board and perform other duties and responsibilities as determined by the board. The general counsel is entitled to compensation as authorized by the board and funds are provided in Account 5520 Legal Services.

EMPLOYEE BENEFITS SCHEDULE GENERAL & SPECIAL PROVISIONS

- A. Health and Dental Benefits. The district provides health and dental benefits for all full time regular employees. New employees are covered on the first day of the month following a 30-day waiting period. Under the district's Flexible Benefits Plan, employees may select from a variety of coverage, but must select basic health coverage. The cost of coverage selections under the plan, which exceeds the provided allowance, is borne by the employee. The board of directors determines the amount of the allowance for employees and retirees when health and dental contracts are renewed near the end of the year. Eligible retirees may continue coverage under the district's health plan until age 65 or eligible for Medicare. Retirees eligible for Medicare may enroll in a Medicare Supplement Plan offered by the Texas Association of Counties.
- B. Life and Disability Insurance. The district also provides life and disability insurance to all full time regular employees. The cost of life and disability insurance for the employee is paid by the district. Employees may purchase additional life and accidental death insurance for themselves and their dependents under the Flexible Benefits Plan. Retirees are not eligible for coverage under the life and disability plans.
- C. Texas County & District Retirement System (TCDRS). This budget provides funding for the employee retirement plan. The employee contribution rate is 7% of salary and the district contribution rate is composed of a TCDRS actuarial determination plus an amount for an annuitant COLA if authorized by the board of directors, and the supplemental death benefit component. The TCDRS Supplemental Death Benefits Fund provides for a lump-sum death benefit payment to the beneficiary of a deceased employee-member equal to a year's salary in addition to a return of the deceased's personal deposits and interest earnings or a Deferred Service Retirement pension benefit. Upon the death of a retired member, the beneficiary is provided a lump-sum payment equal to \$5,000.
- D. Workers' Compensation Insurance. All full time regular and part-time employees, and members of the board of directors and appraisal review board are protected with workers' compensation insurance. This budget provides coverage through participation in the Texas Municipal League Intergovernmental Risk Pool.
- E. Unemployment Insurance. The district provides unemployment insurance for all district employees.
- F. Social Security. District employees do not participate in the federal Old Age, Survivors, and Disability Insurance (OASDI) program. Part-time employees who are not members of the Texas County & District Retirement System are required to contribute to Social Security. This budget provides for the employer's matching amount.
- G. Federal Medicare Coverage. Most district employees participate in the Medicare portion of the Federal Insurance Contribution Act (Social Security). Employees contribute to this program at a rate of 1.45% of wages paid. Funding is provided in this budget for the employer's matching amount.

- H. Longevity Pay. All full time regular employees, beginning with the first pay period after their first year of service with the district, are entitled to longevity pay calculated on the basis of \$5.00 per month per year of service, not to exceed \$150.00 per month. Employees returning to employment with the district after a break in service of less than five years are not entitled to longevity pay until after completing one year of continuous service. After the one-year waiting period, the employee's prior service of whole years is included in the calculation of longevity pay.
- I. Sick Leave. All full time regular employees are entitled to sick leave subject to the following conditions:
 - An employee will earn sick leave entitlement beginning with the first day of employment with the district and ending on the last day of duty. Sick leave entitlement shall be earned at the rate of 3.6920 hours per regular pay period, not to exceed 12 days per year, and shall accumulate with the unused amount of such leave carried forward each pay period. Unpaid time does not earn sick leave.
 - 2. Sick leave may be taken any time after accrual, subject to the terms set forth in the district's sick leave policy.
 - 3. An employee who resigns, is dismissed, or separated from district employment may not be paid for unused sick leave, but the estate of a district employee who dies while employed by the district shall be paid one-half of the employee's unused sick leave, or for 80 hours of sick leave, whichever is less.
- J. Employee Vacations. All full time regular employees are entitled to vacation leave. Such entitlement is calculated on 26 pay periods per year in accordance with the following schedule:

| Years of <u>District Service</u> | Hours Earned Per Pay Period | Maximum Hours That Carry Over To Next Year |
|-------------------------------------|--------------------------------|--|
| First 2 years | 3.23 | 168 |
| 2 to under 5 years | 3.69 | 288 |
| 5 to under 10 years | 4.15 | 324 |
| 10 to under 15 years | 4.61 | 360 |
| 15 to under 20 years | 5.53 | 432 |
| 20 to under 25 years | 6.46 | 504 |
| 25 to under 30 years | 7.38 | 576 |
| 30 or more years | 8.30 | 647 |

Vacation with pay may not be granted until the employee has had continuous employment with the district for six months, although credit will be earned during that period. The chief appraiser may authorize additional unpaid vacation leave as a supplement to vacation with pay. An employee who resigns, is dismissed, or separated from district employment is entitled to be paid for all vacation time duly accrued at the time of separation, provided the employee has had continuous employment with the district for six months. For an employee who has a break in service, total HCAD employment is calculated in the same manner as with longevity pay. After a one-year waiting period, the employee's prior service of whole years is included in the calculation of vacation hours.

- K. Emergency Leave. The chief appraiser may grant emergency leave of up to three working days to a full time regular employee because of a death of the employee's spouse, parent, step-parent, child, step-child, brother, sister, grandparent, grandchild, spouse's parent, or spouse's children. The chief appraiser may grant leave for any other purpose that justifies emergency leave.
- L. Other Paid Leaves. Full time regular employees of the district are entitled to paid leaves for holidays, military duty, and jury duty in accordance with the district's policy on such leaves.

APPRAISAL REVIEW BOARD PROVISIONS

The Appraisal Review Board of Harris County (ARB) is authorized by Section 6.41 of the Texas Property Tax Code as an entity separate from the Harris County Appraisal District. The Code contains provisions about the separation of the two entities, and requires the board of directors to fund certain activities of the appraisal review board. ARB members are not employees of the district and are not eligible for appointment to the ARB if ever employed by the district. Other restrictions apply.

- A. Appraisal Review Board Member Per Diem and Duties and Per Diem of ARB Officers.
 - 1. ARB members are compensated at a flat per diem rate for each day of service on the appraisal review board that equals or exceeds eight hours, exclusive of lunch. The per diem rate for such members shall be paid as follows:

| Term of Service on the Board | <u>Per Diem</u> |
|------------------------------|-----------------|
| First Term | \$162 per day |
| Second Term | \$180 per day |
| Third and Subsequent Terms | \$198 per day |

The board of directors may provide a per diem of up to \$205 per day for the chairman of the ARB. Service shall mean sitting as a member of a panel, participating at a meeting of the full board, or attending training required by law or approved by the board of directors. The board of directors may provide that service for an officer or member of the ARB includes such other activities as the board may prescribe. The chairman of the appraisal review board determines panel and training schedules for ARB members in consultation with the ARB administrator.

- 2. A member must serve for a minimum of eight hours, exclusive of lunch, to receive the full per diem. This is not intended to imply that member service is limited to 8 hours in a day. It is anticipated that members will serve the number of hours required to properly discharge their obligations. For service of two and one-quarter hours or less, a member shall receive a partial per diem payment of \$50. For service of more than two and one-quarter and less than eight hours, the member shall receive a payment calculated by multiplying the number of hours served by an hourly rate, which is computed by dividing the daily per diem rate by eight. Regardless of the number of hours served in excess of eight in a 24-hour period, a member will not be compensated at more than the maximum daily rate specified above.
- B. Appropriation for ARB Member Per Diem and Related Items
 - 1. Appropriation for ARB member per diem compensation is \$2,450,000.
 - 2. Appropriation for ARB member coverage for Workers' Compensation Insurance is \$11,850.

- 3. Appropriation for the matching portion of OASDI and FICA, conditioned on a possible future determination that ARB members should be compensated as independent contractors, is \$189,720.
- 4. There is no appropriation for unemployment insurance.
- C. Appropriation for Appraisal Review Board Attorney. The Appraisal Review Board shall use the services of the county attorney for legal counsel. In the event the county attorney is unable or declines to represent the board in a lawsuit to which the board is made a party, the board may employ and compensate private counsel, subject to a total appropriation of \$5,000.
- D. Appropriation for Clerical Assistance. The appraisal office provides clerical assistance to the appraisal review board, including assisting the board with the scheduling and arranging of hearings. The appropriation for clerical assistance appears elsewhere in this budget.
- E. Appropriation for Texas Comptroller ARB Training. The Property Tax Code provides for the Texas State Comptroller to provide mandatory training of ARB members. The amount of \$11,000 is appropriated for that purpose.
- F. Appropriation for TALCB Licensed Appraiser Instruction. The ARB may contract with a Texas Appraiser Licensing and Certification Board (TALCB) licensed appraiser to instruct the members of the appraisal review board on valuation methodology if an appropriation for the instruction is provided. The amount of \$3,500 is appropriated for that purpose.
- G. A member of the board of directors, the chief appraiser, or any other employee of the district may not communicate with a member of the appraisal review board about a course provided by the Comptroller or any other matter presented or discussed in training. In addition, the Property Tax Code prohibits communication with the appraisal review board by an officer or employee of a taxing unit or by an attorney who represents or whose law firm represents the appraisal district or a taxing unit that participates in the appraisal district.

The Harris County Appraisal District is funded by the taxing units it serves. As provided in Section 6.06(d), Tax Code, "(E)ach taxing unit participating in the district is allocated a portion of the budget equal to the proportion that the total dollar amount of property taxes imposed in the district by the unit for the tax year in which the budget proposal is prepared bears to the sum of the total dollar amount of property taxes imposed in the district by each participating unit for that year."

Section 6.06(d), Tax Code, requires "(E)ach taxing unit shall pay its allocation in four equal payments to be made at the end of each calendar quarter, and the first payment shall be made before January 1 of the year in which the budget takes effect." It has been the practice of the Harris County Appraisal District to invoice the taxing units for their quarterly payments approximately 45 days prior to the due date. Since the first quarter billing for 2014 will be prepared and delivered on or about November 15, 2012, and before the time some 2013 tax rates have been determined or received, the first quarter 2014 will be invoiced using incomplete information. The second quarter invoice will reflect the necessary corrections.

This estimate is prepared in June 2013 using 2012 tax rates and levies.
