IMPORTANT INFORMATION AND INSTRUCTIONS

This rendition must list the business personal property that you owned on January 1 of the year. This includes assets being depreciated on your books, as well as assets that have been fully depreciated and assets which were gifts or expensed rather than capitalized for income tax purposes. It must provide the property owner's name and address if you manage or control the property as a fiduciary. You are required to list the name and address of each owner of taxable property that is in your possession or under your management on Jan. 1 by bailment, lease, consignment or other arrangement. Except as noted, you are required by law to fill out all sections of the form. If you provide substantially equivalent information to a company contracted with the appraisal district to appraise property, you are not required to file this statement.

GENERAL INFORMATION: This form is for use in rendering, pursuant to Tax Code Section 22.01, tangible personal property used for the production of income that you own or manage and control as a fiduciary on Jan 1 of this year.

FILING AND DEADLINES: Rendition statements and property reports must be delivered to the chief appraiser after Jan. 1 and not later than April 15, except as provided by Tax Code Section 22.02. On written request by the property owner, the chief appraiser shall extend a deadline for filing a rendition statement or property report to May 15. The chief appraiser may further extend the deadline an additional 15 days upon good cause shown in writing by the property owner. *If you choose to file your extension request online, go to www.hcad.org/iFile.* Pursuant to Tax Code Section 22.02, if an exemption applicable to a property on Jan. 1 terminates during the tax year, the person who owns or acquires the property on the date applicability of the exemption terminates shall render the property for taxation within 30 days after the date of termination. If the chief appraiser denies an application for an exemption for property subject to rendition pursuant to Tax Code Section 22.01(a), the person who owns the property on the date the application is denied shall render the property for taxation in the required manner within 30 days after the date of denial.

NOTARIZATION: If you complete the rendition form as a secured party, property owner, an employee of the property owner, or an employee of a property owner on behalf of an affiliated entity of the property owner, no notarization is required.

INSPECTION OF PROPERTY: Pursuant to Tax Code Section 22.07, the chief appraiser or his authorized representative may enter the premises a business, trade, or profession and inspect the property to determine the existence and market value of tangible personal property used in the production of income and having a taxable situs in the district.

SEPTEMBER 1, INVENTORY APPRAISAL - Check this box on the rendition form only if you made written application to the appraisal district for September 1 inventory appraisal by July 31, of the prior year.

REQUEST FOR STATEMENT REGARDING VALUE: Pursuant to Tax Code Section 22.07, the chief appraiser may request, either in writing or by electronic means, that the property owner provide a statement containing supporting information indicating how value rendered was determined. The property owner must deliver the statement to the chief appraiser, either in writing or by electronic means, not later than the 21st day after the date the chief appraiser's request is received. The statement must:

- (1) Summarize information sufficient to identify the property, including:
 - (A) the physical and economic characteristics relevant to the opinion of value, if appropriate; and
 - (B) the source of the information used;
- (2) state the effective date of the opinion of value; and
- (3) explain the basis of the value rendered.

Failure to comply in a timely manner is considered to be a failure to timely render and the Tax Code requires that penalties be applied by the chief appraiser.

PENALTIES: The chief appraiser must impose a penalty on a person who fails to timely file a required rendition statement or property report in an amount equal to 10 percent of the total amount of taxes imposed on the property for that year by taxing units participating in the appraisal district. The chief appraiser must impose an additional penalty on the person equal to 50 percent of the total amount of taxes imposed on the property for the tax year of the statement or report by the taxing units participating in the appraisal district if it is finally determined by a court that:

- (1) the person filed a false statement or report with the intent to commit fraud or to evade the tax; or
- (2) the person alters, destroys, or conceals any record, document, or thing, or presents to the chief appraiser any altered or fraudulent record, document, or thing, or otherwise engages in fraudulent conduct, for the purpose of affecting the course or outcome of an inspection, investigation, determination, or other proceeding before the appraisal district.
