

Questions Regarding RFP2020-09	Answers	Date
<p>The Scope of Work mentions the need to copy data and digital document images. What is the intended use of copying? Is the intent for HCAD to copy data and digital document images derived from Title Data and then post them to the HCAD website for all to see? Please elaborate on what you will use the data and digital document images for so that we can ensure that we appropriately address permissible use of what we may provide.</p>	<p>(1) Name Changes -- as required by the Texas Property Tax Code (2) As required by law, HCAD should have accurate ownership records to provide taxing entities with correct data for property taxation (3) Settle Property owner disputes</p>	<p>10.27.2020</p>
<p>Who is the intended consumer for the data and digital document images that are pulled from Title Data? (1) is it for the sole use by HCAD and its employees or will it be shared with others? (2) If it is to be shared with others -- what type of entities? Consumers? Business? Both?</p>	<p>(1) Yes, on rare occasions property owners may request information. (2) Property owners upon request.</p>	<p>10.27.2020</p>
