

Harris Central Appraisal District

2025 Fact Sheet

Established in 1980, the Harris Central Appraisal District appraises taxable property for 622 taxing units (33 cities and 25 ISDs) within the district's boundaries. HCAD is the largest assessment entity in the U.S. appraising all properties annually at full market value using mass appraisal techniques for about 1.9 million parcels in Harris County. HCAD is governed by an elected and appointed board of directors and is subject to annual oversight by the Texas Comptroller's office.

Local governments and school districts use property tax revenues to finance services such as public education, fire and police protection, street maintenance, parks and public libraries.

Annually Conducts 850,000+ property owner interactions from a population of 4.7 million residents. Services 61,000+ walk-in customers, answers 181,000+ phone calls and 55,000+ emails; sends more than 4 million mailings; resolves 562,000+ protests, including 113,000 meetings with owners one-on-one, and settles almost 300,000 protests electronically.

Physical Data 1,774 square miles of territory, which is larger than Rhode Island.

Staff 700+ employees, including over 300 licensed appraisers. Appraisers go through a 3-5 year education, training and testing program before becoming licensed professional appraisers in Texas.

Market and Assessment Data Total market value of all property exceeds \$938 billion, which represents almost 20% of the total property value of the state. Of the 1.2 million single family residences in the county, 852,000+ have homestead exemptions and 292,000+ have over-65/Disability exemptions.
